

# Backup Everything

## HOW IT WORKS

### CHOOSE EITHER BUSINESS OR ONTHEGO

Simply select your package and we will send download instructions

### SERVERS, LAPTOPS, DESKTOPS, MOBILES

We can backup your data from multiple devices and many applications

### INSTALL OUR ONLINE BACKUP SOFTWARE

Takes a few mins in which you can select what folder or application to backup.

### VIEWING PLATFORM FOR YOUR FILES

Data backed up can be seen via the mobile app or any web browser.
